History of Theodore's Red Hots

Theodore S. Liaros welcomes you to Western New York's first Theodore's Original Charcoal Broiled Hot Dog Restaurant. Ted has spent most of his life working in the family business bringing the people of Western New York the charcoal broiled hot dogs and hamburgers they have come to know and love.

Like chicken wings and beef on weck, charcoal broiled hot dogs are a great Buffalo tradition. Teddy, his wife Beth, and the Theodore's management team of Richard Mobarak and Chuck Spalla have over 100 years of combined experience in bringing the great taste of charcoal broiled hot dogs and hamburgers to the people of Western New York.

The Theodore's team is raring to go and we are very excited about the new opportunities presented to us. We sincerely hope that our new customers, their families, and friends will enjoy the "Theodore's experience as much as we enjoy bringing it to them.
